LANDSCAPE BEAUTY IN SPRING

It's the middle of Spring and blooms are in full swing! What a beautiful site! Those nasty weeds are also in full bloom, so here's your friendly reminder to jump on your yards to keep them weed free and appropriately watered so just the beauty remains.

Keep in mind, if you've got spring fever and want to change any portion of your landscape, paint or any other exterior project you'll need approval before you start. Find your Architectural Guidelines and Application on the homeowner portal/online at tuscanyhillshoa.net.

TRASH CARTS, BINS & PICK UP FRIDAY'S THE DAY

Lately, there's been an uptick in trash carts being left out too soon before or too long after trash pick up day, which is Friday. Remember to wait until Thursday to put 'em out and put 'em back by Saturday. Also for large item pick ups, call and schedule with CR&R (951) 943-1991.

FUN FACTS

Did you know this fun fact?
